INITIAL TARGET BENEFICIARY

HAS HÔPITAL ALBERT SCHWEITZER
— HAITI —

We must act now ...

HAS needs your support to launch our emergency vaccination campaign. Just \$95,000 will cover the essential elements and allow us to vaccinate thousands of people.

- Deployment of mobile medical teams to reach people in more isolated areas
- Vaccination materials – solo shot syringes, alcohol, cotton, band aids, PPE
- Cold boxes for storage of vaccines
- Awareness/Education sessions in public places such as churches, markets and schools
- Communications campaign, including sound trucks, banners and more

Without COVID vaccines, health is at even greater risk in Haiti. Time is of the essence.

Your donation of just \$5 will help us get 5 people vaccinated.
