

International Contact Pool

INTERNATIONAL CONTACT POOL ... get connected ... stay connected

What is the idea of the International Contact Pool?

- Promoting International Understanding
- Easy and direct networking with Inner Wheel Friends everywhere
- Quick contact when travelling for business or pleasure
- Guaranteed availability of participating Inner Wheel Clubs
... for friendly exchanges and local meetings.

Why do we need the International Contact Pool?

- Modern way to get in touch with Inner Wheel friends everywhere
- Meet friends – strengthen friendship
- Experience cultural diversity

How does the International Contact Pool work?

- An information sheet containing useful and interesting information about a participating Inner Wheel Club's town or region is prepared and uploaded on the Club's website
- A contact person in the Club is named.
- The visitors organise the trip/excursion/meeting on their own using the useful and interesting information provided by the Clubs.
- After the request by the visitors the contact person in the club organises small delegations of friends who then meet or accompany the visitors on site

How to find clubs who participate in the International Contact Pool – e.g. in Germany?

- In Germany, 70 Inner Wheel Clubs take part in the International Contact Pool in May 2024
- Information via the National Representative Inner Wheel Germany
